FOOTPRINTS

One night I had a dream-
I dreamed I was walking along the beach with the Lord and
Across the sky flashed scenes from my life.
For each scene, I noticed two sets of footprints in the sand.
One belonged to me and the other, to the Lord.
When the last scene of my life flashed before me,
I looked back at the footprints in the sand.
I noticed that many times along the path of my life,
There was only one set of footprints.
I also noticed that this happened at the very
lowest and saddest times in my life.
This really bothered me and I questioned the Lord about it.
“Lord, you said that once I decided to follow you,
You would walk with me all the way.
But I have noticed that during the most troublesome
times in my life, there is only one set of footprints.
I don't understand why in times when I needed you,
you should leave me.”
The Lord replied, “My precious child, I love you and
would never, never leave you during your times of
trial and suffering.
When you saw only one set of footprints,
It was then that I carried you.
