## FOOTPRINTS

One night | had a dream-  
| dreamed | was walking along the beach with the Lord and  
Across the sky flashed scenes from my life.  
For each scene, | noticed two sets of footprints in the sand.  
One belonged to me and the other, to the Lord.  
When the last scene of my life flashed before me,  
| looked back at the footprints in the sand.  
| noticed that many times along the path of my life,  
There was only one set of footprints.  
| also noticed that this happened at the very  
lowest and saddest times in my life.  
This really bothered me and | questioned the Lord about it.  
“Lord, you said that once | decided to follow you,  
You would walk with me all the way.  
But | have noticed that during the most troublesome  
times in my life, there is only one set of footprints.  
| don’t understand why in times when | needed you,  
you should leave me.”  
The Lord replied, “My precious child, | love you and  
would never, never leave you during your times of  
trial and suffering.  
When you saw only one set of footprints,  
| it was then that | carried you.
