I hear your laughter echoing through the wind,
I see a sunset and remember your smile,
Your presence brought joy and love,
I know I won't be able to see you for a while.

Memories of you will always be cherished,
While we are apart I will remember your face,
Even thought my heart aches to see you again,
I know that you are in a peaceful place.

With sadness filling many hearts,
Your passing brings sorrow and tears,
There will be a time I will find you again,
I will miss you for many years.

And when that awesome reunion comes,
Oh what a joyous one it will be,
You will give me a big bear hug,
My brother again I will see.
